

TOUCH FREE HAND SANITIZER STAND

SPECIFICATIONS

Complete stand alone sanitary stand with touch free electronic hand sanitizer dispenser. Helps prevent cross contamination in high traffic areas such as banks, hospitals, supermarkets, schools and any other high traffic public areas. Can be used with any brand of non-proprietary hand sanitizer of the correct viscosity. Compatible with Ethanol, IPA Isopropyl Alcohol - Up to 80% and Alcogel

OPERATION

Touch-free, stand-alone electronic hand sanitizer stand operated by an infrared sensor. The hand sanitizer automatically dispenses a preset quantity of disinfectant when users place a hand within sensor range.

APPLICATION

Touch-free, stand-alone electronic hand sanitizer unit to be placed in any high traffic public area such as hospitals banks airports supermarkets and other high traffic public areas.
