

TOUCH FREE AB1953 TOUCH-FREE ELECTRONIC LAVATORY FAUCET

SPECIFICATIONS

Touch free electronic faucet for deck mounted installations. For cold or premixed water. Filter included. Activated by a nano infrared sensor. Includes a low battery indicator. Solid brass one-piece construction. Sensor range is adjustable manually and by remote control.

The following settings can be changed by using the Stern remote control: sensor range, security time, delay in, delay out and on-off.

OPERATION

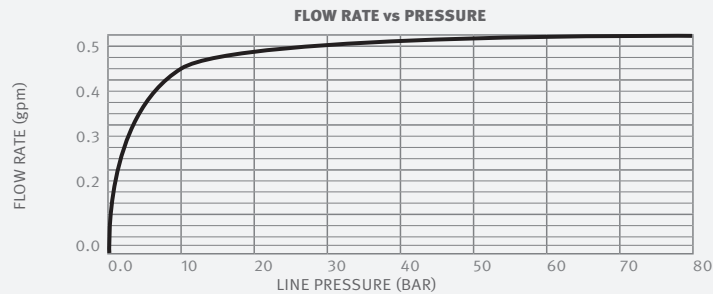

Touch free electronic faucet. The faucet is activated automatically when the users bring their hands within the sensor range and stops when the users remove their hands.

APPLICATION

Deck mounted faucet combining an elegant minimalist design with antivandal features. Enables an easy installation and is long lasting even in the harshest installation sites. Helps washrooms to stay cleaner and save water. Prevents cross contamination. Ideal for stadiums, train and bus stations & highway rest stops.

PRODUCT AT A GLANCE

Installation	Deck mounted
Power Supply Options	• 9V battery Box • 9V transformer
