

CLASSIC - TOUCH FREE SOAP DISPENSER

DECK MOUNTED TOUCH FREE ELECTRONIC SOAP DISPENSER FOR NON-PROPRIETARY SOAP

SPECIFICATIONS

Touch free deck mounted electronic foam soap dispenser, activated by infrared sensor. Chrome plated body, other finishes available. The version for batteries features a low battery indicator. Includes a 1 liter foam soap bottle and a bottle support. The following functions can be performed by using Stern remote control: soap quantity selection, refill the soap tank, temporary off, coming back to factory settings.

OPERATION

Touch free electronic soap dispenser. The dispenser is activated automatically when the user brings his hands within the sensor range, and stops when the user removes his hands.

APPLICATION

Closing automatically without dripping, the Classic touch free soap dispenser helps to ensure that the bathroom will stay organized and neat. Combined with Classic touch free electronic faucet, it creates a germ free and automated environment.
