

# EXTREME 1000 LF AISI316

## TOUCH-FREE ELECTRONIC LAVATORY FAUCET

### SPECIFICATIONS

Touch-free electronic faucet for deck-mounted installations. Lead-free version. With mixer for water temperature adjustment for hot and cold water. Activated by concealed sensor built into the spout. Stainless Steel AISI316 material. Filter included. Sensor includes a low battery indicator. The Extreme line has an Infrared sensor and a solenoid valve inside the product's body for added vandal resistance. Adjustable settings by remote control: sensor range, security time, delay in, delay out, on-off and reset to factory settings.

### OPERATION

Touch-free electronic faucet. The faucet is automatically activated when users place their hands in the sensor range and stops when the users remove their hands.

### APPLICATION

Deck-mounted faucet. Combining an elegant design with vandal-resistant features. Easy installation. Long lasting even in the harshest installation sites. Helps washrooms stay clean and saves water. Prevents cross contamination. Ideal for offices, hotels and restaurants.
