# SWAR WITH MULTIFEED

## Deluxe Customizable SWAR With Multifeed 2 and 3

Customizable SWAR with Multifeed has an Integrated 6-Liter Soap Tank with Option for 2 or 3 Connected Cabinet System.

This great hi-traffic solution comes with the multifeed kit, a 6-liter soap tank that internally connects to the coordinating soap dispensers - making for a quick and easy centralized refill point for cleaning staff.

The remote control enables adjustment of soap dosage and faucet settings, while also allowing customization of LED pictogram colors and sequences—delivering an unmatched user experience.

### Customization Options:

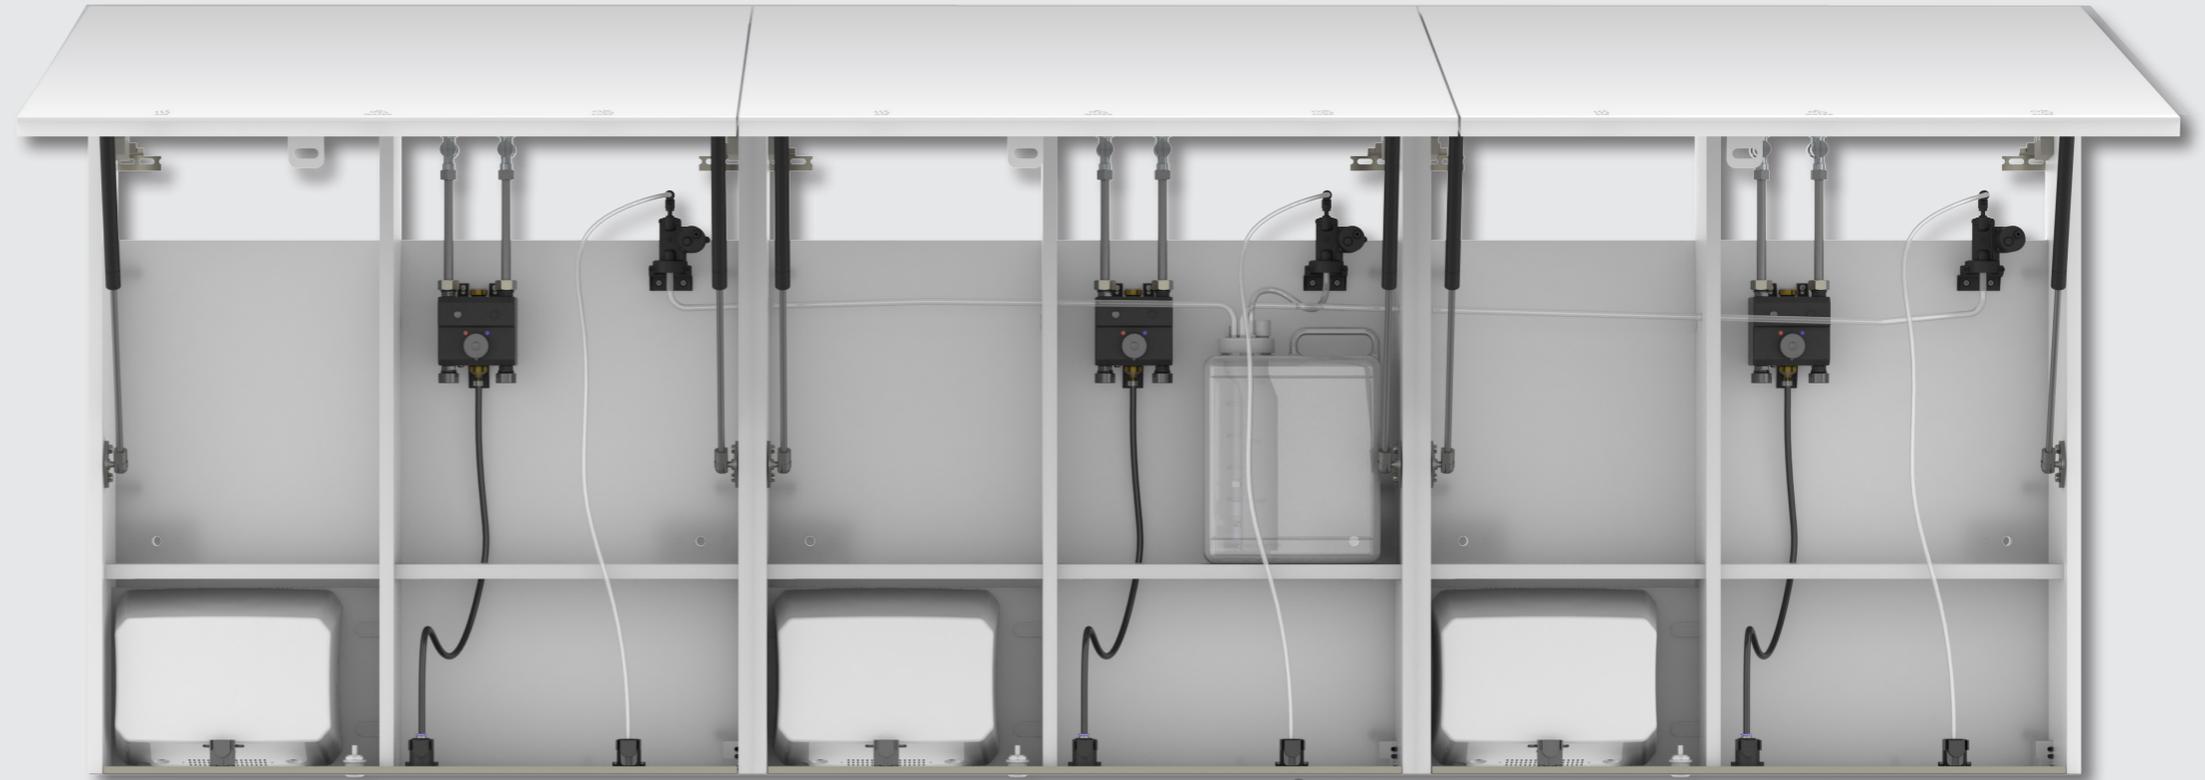

**Size:** Tailored dimensions to fit your specific space requirements.

**Color:** Available in a wide range of finishes to match your design aesthetic.

**Components:** Select from a variety of touchless fixtures and features.

**LED Colors for Icons:** Adjustable by remote for personalized visual cues.

**Bridge Cabinets:** Additional storage and design flexibility for enhanced functionality - a hi-traffic must-have.

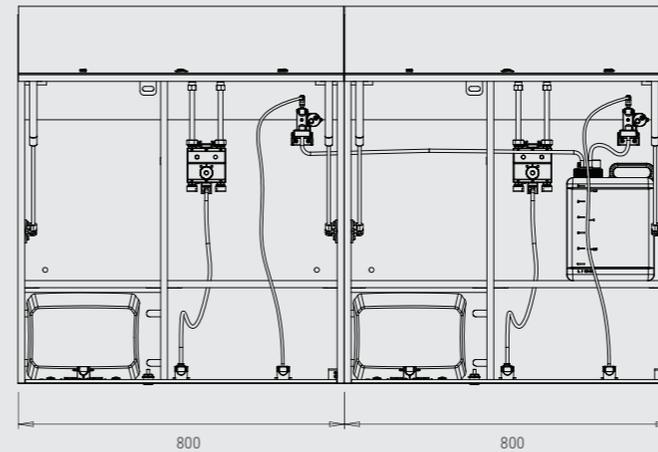

280510 SWAR Cabinet Multifeed 3

### Key Benefits:

- Eliminates messy, slippery floors, and long lines to dry hands.
- Reduces the amount of labor for commercial facilities maintenance.
- Electrical connection supplied according to your region/needs.
- Great for your hi-traffic projects and customizable to match your design.

# BRIDGE CABINETS FOR SWAR

### Create Essential Storage While Maintaining Style

Stern's bridge cabinets are specialized mirror cabinets designed to seamlessly fill the gap between two adjacent SWAR cabinets or between a wall and a SWAR cabinet. These innovative additions ensure a continuous, cohesive look while maximizing functionality and storage space.

#### Key Features:

**Flexible Sizes:** Customizable dimensions to perfectly fit your project requirements.

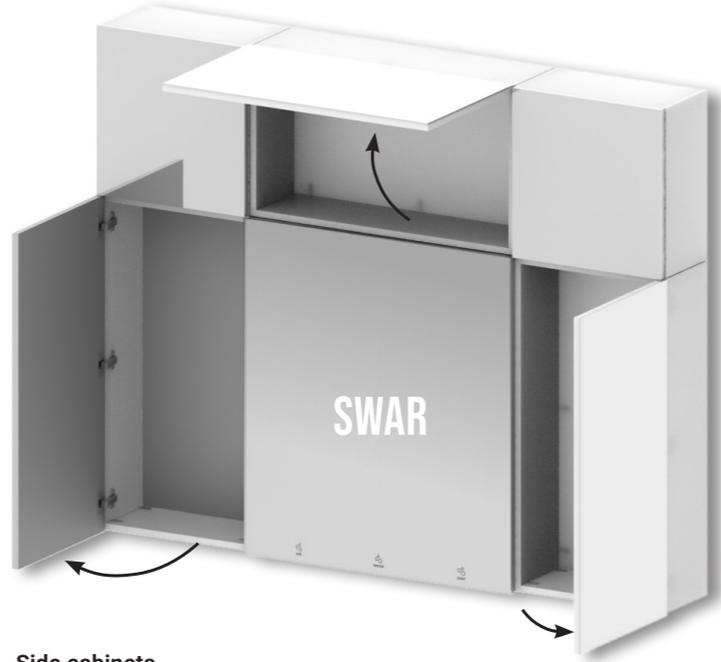

**Color Options:** Available in a range of finishes to complement the SWAR cabinets and overall design aesthetic.

**Seamless Integration:** Designed to enhance the visual appeal while maintaining consistency in style and functionality.

This decorative fixed bridge cabinet is the perfect solution to create a polished and unified washroom environment.

**Top cabinets above SWAR**  
Spacious storage cabinet with top opening

#### Side cabinets

- Spacious storage cabinet
- With or without internal shelves
- With or without lock
- Top opening or side opening (left or right) according to your needs.

# PAPER MODULE

A decorative fixed cabinet that is used as a concealed paper option and made to coordinate with Stern's Duo or Trio. The mirrored paper module can be used as a stand-alone to create a beautiful cohesive design.

#### Product Details:

- With or without internal shelves
- With or without lock
- Top opening or side opening (left or right) according to your needs.

# NEW CUSTOMIZATION OPTIONS

## REFILL INDICATOR

The refill icon will show when the soap needs to be refilled.

## THERMOSTATIC MIXING VALVE

As a new customization possibility, you can now configure SWAR with Stern's TMV ( ASSE 1070, NSF 371, TMV3, and DVGW certified) instead of the default cartridge mixer.

## AMBIENT HALO LIGHTING

Create ambiance with the glow of Halo Lighting for SWAR TV or SWAR.

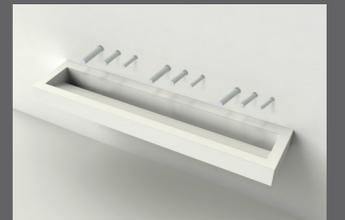

## CURVED MIRROR

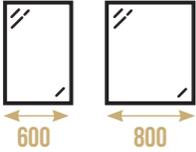

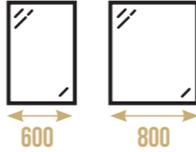

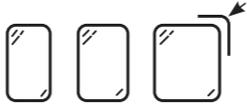

Give a smooth look to SWAR by choosing a mirror with rounded corners.

## CUSTOMIZED WASH TROUGH

Simplify the compatibility and integration of different materials by sourcing SWAR together with a customized solid surface wash trough.
